The Authority will provide an access road and a bypass line to take flow off the subject sewer main.

Special Conditions and Appendices contain more detailed information on the Project scope.

**Pre-Bid Conference shall be at 10:00 a.m., local time, on Wednesday, June 17, 2026.**

All prospective bidders must hold a current Georgia Utility Contractors License and be on, or promptly qualify for inclusion on, the Authority's Approved Contractor List, without restriction or probationary status.

All bids must be accompanied by adequate bid security (certified check, bid bond, or irrevocable letter of credit) drawn in favor of the Authority and in the amount of five percent (5%) of the total bid price, which shall be subject to forfeiture as liquidated damages in the event that the bid be accepted and the bidder fail to promptly enter into the proposed contract for performance of the Project with the Authority.

Award may be made to the lowest responsible and responsive bidder; however, the Authority reserves the right to reject all bids or any bid that is nonresponsive or submitted by a nonresponsible bidder. The Authority further reserves the right to waive technicalities and informalities in the Invitation for Bids and bids submitted.
